# Teacher notes

Push your nose up like a pig 	Put both fists on your cheeks like a raccoon 	Pull your eyes back like a fox 	Make whiskers like a cat 
こぶた	たぬき	きつね	ねこ
There are lots of different versions of this one - do the one that you know if it is different			

## Genkotsuyama no tanukisan

One fist on top of the other - 4 times			
げんこつ	やま の	たぬき	さん
Like you are drinking	Like you are sleeping	Hug yourself	Like you are giving someone a piggy-back
			
おっぱいので	ねね して	だこう して	おんぶ して
Roll your fists over each other	On the TA you do janken- scissors, paper or rock		
		or	
また あし...		or	
		た	

After janken these actions are optional - maybe work up to this.

If you win - both hands in the air - BANZAI	If you lose - index fingers under your eyes like you are crying	If you draw - hands on hips
		
かった	まけた	あいこ

The students can do janken with each other or with you - look out for the students who don't have a partner so they can still participate.
