

Variation to School Routine V2SR

The previous VSR has been replaced by a new one on ONE SCHOOL. This electronic document needs to be filled in, submitted to your Principal, signed off by another authorised staff member within the school (a dropdown list will appear for you to choose from) and then submitted to EQI.

Although it is approved at school level, EQI still require this to be sent and keep a record of schools travelling to Japan throughout the year.

The V2SR Guide may be found in OneSchool at Help > Support & Training > Curriculum & Assessment > V2SR Guide.

Page 4 of the V2SR Guide provides the workflow for approvals.

The V2SR is found in One School – Curriculum and Assessment – Variation to School Routine.

Good luck !
